

## **Biffa Award Announces Main Grants Deadlines for 2018**

Main Grants of £10,000 to £75,000 are available to support the Funder's vision to ensure that everybody has access to high quality local community facilities.

Not-for-profit organisations in England, Wales and Northern Ireland within 5 miles of a significant Biffa operation or within 10 miles of an active Biffa Landfill site can apply for a grant from Biffa Group. Only groups with a total project cost of less than £200,000 can be funded, and there must be a minimum of 104 days of full public access to the project per year.

The programme is currently divided between three themes, each of which has its own application forms and application windows:

- Community Buildings.
- Rebuilding Biodiversity.
- Recreation.

Applicants should check their project location's eligibility using Biffa Awards Postcode Checker.

**There are different deadlines for each of the themes.**
