

Voluntary Support North Surrey - Volunteer Coordinators Forum

The Volunteer Coordinators Forum is for people who manage volunteers in organisations of any size in the local area. The purpose is to facilitate discussion and debate while highlighting best practice of the groups attending. By being involved in the forum you will benefit from:

- regular meetings
- peer support from other volunteer managers
- networking and learning opportunities

The forum will help you to feel supported in your role and connect you with other volunteer coordinators with the aim of:

- gathering opinions, beliefs, and attitudes about volunteer management;
- listening to ideas about ways to improve volunteering;
- developing new volunteer practice including policies and procedures;
- encouraging discussion about a particular topic relating to volunteering;
- providing an opportunity to learn more about a topic or issue.

The structure, format and themes will be chosen in consultation with members of the group.

The first meeting will take place on Wednesday 4th October 10 am until 12 noon at VSNS Chertsey Office, 6 The Sainsbury Centre, Chertsey KT16 9AG.

The topic for discussion will be 'Measuring the impact of volunteering'.

For more information on the forum or to sign up or attend a forum meeting, get in touch with our Volunteering Development Manager, Alison Morey, on 01784 465536 or by email at alison@voluntarysupport.org.uk
